Jeff Nesbit from @ClimateNexus talking at #silencingscience event: news orgs now know that climate denial is "a loser." They don't talk about it. Electeds more "sophisticated": don't deny science, but say "let's wait." This even tougher for scientists. #silencingscience

Together with @ColumbiaClimate, we expanded the #SilencingScience Tracker to include state and local government attempts to restrict science.

We found these entities have taken 96 anti-science actions since the November 2016 election. [bit.ly/2pwVBYS](http://bit.ly/2pwVBYS)
