

Testifying on Capitol Hill, Massachusetts Governor Charlie Baker urges the federal government to take climate action.

Charlie Baker 
@MassGovernor

I am in Washington today to testify on the approach Massachusetts has taken to the very real challenge of [#climatechange](#). Thank you to Chairman [@RepRaulGrijalva](#), Ranking Member Bishop, and other members of the House Committee on Natural Resources for the invitation. [#ActOnClimate](#)

Replying to @MassGovernor

Based on our experience in Massachusetts, I would like to share four themes I believe will help further reduce greenhouse gas emissions and increase resiliency across the country. #ActOnClimate

Charlie Baker ✓

@MassGovernor

First, states and local communities need support from the federal government. Many federal incentives are only available after a disaster occurs; incentives similar to our MVP program would help communities address resiliency issues before the next disaster. #ActOnClimate pic.twitter.com/zDZdRkwFOu
